

## SCHOOL DISTRICT OF IOLA-SCANDINAVIA

342.4

### CHILDREN AT RISK

The Board shall develop plans to serve children in the district who are identified at risk. "Children at risk" are students who are at risk of not graduating from high school.

The Elementary School Counselor shall be the district's children-at-risk program coordinator.

Students shall be identified and referred to children-at-risk programs in accordance with established guidelines.

An advisory committee consisting of teachers, administrators and parents/guardians shall annually evaluate the programs and services provided to children identified at risk.
