

SCHOOL DISTRICT OF IOLA-SCANDINAVIA

537-Rule

PROFESSIONAL STAFF INSERVICE GUIDELINES

The Board shall work with administrators and professional staff to develop inservice programs related to needs that are appropriate for professional staff to increase their skills.

A. Group Needs for Inservice Training

1. There shall be a committee composed of administrators and certified professional staff.
2. The committee shall identify group inservice needs and plan inservice experiences designed to satisfy identified needs. The committee shall be responsible for:
 - a. Examining the goals and program designed to reach those goals of the previous committee. The committee shall use appropriate feedback techniques.
 - b. Establishing the goals to be met in the following year by surveying the entire staff and consulting with appropriate staff members.
 - c. Planning the following year's inservice program for submission to the District Administrator by June 1st.
