

POLICY IMPLEMENTATION

The District Administrator shall be responsible for carrying out the policies established by the Board. He/she shall also interpret back to the Board the reactions of school personnel and the public to the policies.

The administrators of the District shall be responsible for supporting the policies established by the Board and those developed by the District Administrator.

CROSS REF: 252.1, Development and Approval of Guides or Handbooks

APPROVED: March 12, 2001

REVISED: December 10, 2012
