

SCHOOL DISTRICT OF IOLA-SCANDINAVIA

270

SCHOOL DISTRICT REPORTS

The District Administrator shall be responsible for establishing and maintaining a data collection, analysis, retrieval and dissemination system that generates accurate statistical data and other information as may be desired or needed by local, state or federal authorities.

The District Administrator shall see that all reports required by state or federal law are made in a timely fashion. Failure to see that records are maintained in such fashion as to generate accurate information or that required reports are submitted shall be considered neglect of duty.

APPROVED: March 12, 2001

REVISED: December 10, 2012
