

**PURCHASE/ACCEPTANCE OF PLAYGROUND EQUIPMENT**

Schematics for requested/proposed playground sites and equipment must be submitted to the Buildings and Grounds Committee by the building principal or, if applicable, organization interested in donating the equipment. The Buildings and Grounds Committee, in conjunction with the Director of Buildings and Grounds and building principal, shall review the schematics and make a recommendation to the Board.

The Buildings and Grounds Committee, Director of Buildings and Grounds and building principal shall inspect requested/proposed playground sites and equipment for:

1. Compliance with safety standards.
2. Proper implementation of playground area design and available space.
3. Possible interference between groups.
4. Easy facilitation of supervision.
5. Consideration of the students' ages and needs.
6. Utilization beyond the school day and school year (e.g., use by older or younger students).
